

## Workshop: Development of the Social Brain

会場：東京大学駒場キャンパス 学際交流ホール

日時：2010年1月23日(土)・24日(日) 8:45 am. ~ 4:45 pm.

協力：東京大学進化認知科学研究センター

### Saturday, January 23

- 8:45 – 9:00 **Welcome**
- 9:00 – 9:45 *Functional Brain Development in Early Infancy*  
**Gentaro Taga** (University of Tokyo)
- 9:45 – 10:30 *Mechanisms for Developing Social Cognition: Bidirectional Maps between Self and Other*  
**Andrew Meltzoff** (University of Washington)
- 10:30 – 11:00 **Tea/Coffee Break**
- 11:00 – 11:45 *Development of Self and Other Recognition*  
**Kazuo Hiraki** (University of Tokyo)
- 11:45 – 12:30 *Joint Attention as a Fundamental Facility of the Social Brain*  
**Peter Mundy** (University of California, Davis)
- 12:30 – 2:00 **Lunch & Poster Presentations**
- 2:00 – 2:45 *A Developmental Social Neuroscience Approach to Early Perception-Action Relations*  
**Peter Marshall** (Temple University)
- 2:45 – 3:30 *Infants' Brain Activity in Face Perception*  
**Masami Yamaguchi** (Chuo University)
- 3:30 – 4:00 **Tea/Coffee Break**
- 4:00 – 4:45 *Functional Association of Brain and Body in Emotional Decision Making*  
**Hideki Ohira** (Nagoya University)

### Sunday, January 24

- 8:45 – 9:00 **Welcome**
- 9:00 – 9:45 *Evolution of Primate's Brain by Social Pressure*  
**Atsushi Iriki** (RIKEN Institute)
- 9:45 – 10:30 *Development of Mentalizing: Viewpoint from Developmental Cybernetics*  
**Shoji Itakura** (Kyoto University)
- 10:30 – 11:00 **Tea/Coffee Break**
- 11:00 – 11:45 *A Neural Account of the Development of Belief- and Desire-Reasoning*  
**David Liu** (University of California, San Diego)
- 11:45 – 12:30 *Reflecting Self-Development in the Brain: Considering Age, Culture, and Specific Domains*  
**Jennifer Pfeifer** (University of Oregon)
- 12:30 – 2:00 **Lunch & Poster Presentations**
- 2:00 – 2:45 *Charting the Typical and Atypical Development of the Social Brain*  
**Kevin Pelphrey** (Yale University)
- 2:45 – 3:30 *Brain Imaging in Infants at Risk for ASD*  
**Sarah Paterson** (Children's Hospital of Philadelphia)
- 3:30 – 4:00 **Tea/Coffee Break**
- 4:00 – 4:45 *Cognitive Developmental Robotics as a Bridge between Neuroscience and Developmental Psychology*  
**Minoru Asada** (Osaka University)
